

Etech Clinic Management System

Minimum System Requirements (Client PC)

- **Operating System:** Windows 10 or Windows 11 (64-bit)
- **Processor (CPU):** Intel Core i3 (4th Gen or newer) / AMD Ryzen 3 or equivalent
- **Memory (RAM):** 4 GB RAM (8 GB recommended for smooth multi-tasking)
- **Storage Space:** 500 MB free disk space for application installation and local database
- **Display Resolution:** 1280 × 720 minimum (1920 × 1080 recommended for optimal dashboard rendering)
- **Internet Connection:**
 - **Free Edition:** 100% offline (No internet required)
 - **Pro Edition:** One-time active internet connection required during initial license activation; operates completely offline after successful binding

Software & Hardware Compatibility

- **Architecture:** Standalone, native compiled desktop binary (No external runtime dependencies required)
- **Printer Support:** Compatible with all standard desktop laser/inkjet printers and A4/Letter thermal slip printers configured in Windows
- **Data Storage:** Fully local, single-file zero-configuration SQLite database engine with automatic schema creation and recovery

	Click this button to clear patient's detail window.

Expenses Window

Step 4

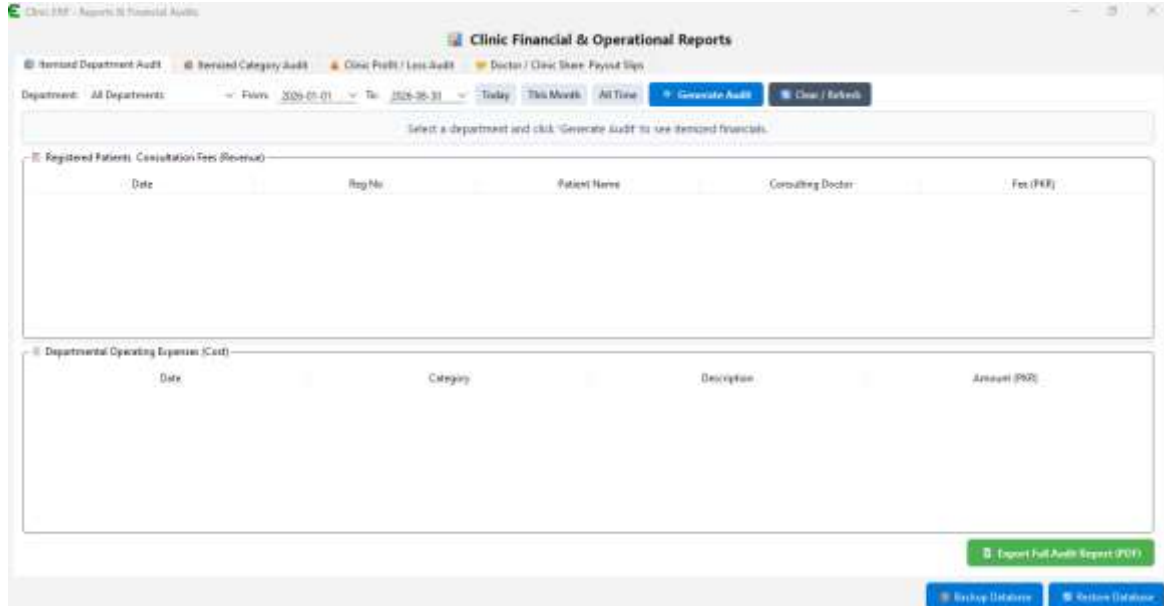

The screenshot shows the 'Expense Management' window. At the top, there's a header with the title 'Expense Management'. Below the header, there are two dropdown menus: 'Select Department' and 'Select Category'. Below these, there are three input fields: 'Amount (PKR)', 'Description / Voucher Details (Optional)', and a date field showing '2020-06-20'. Below the input fields, there are four buttons: 'Add Expense', 'Update Expense', 'Delete Expense', and 'Clear / Reset'. Below the buttons, there is a table with the following columns: ID, Department, Category, Amount (PKR), Description, and Date. The table contains 17 rows of data, all with 'Evening Physiotherapist' as the department and 'Other' as the category.

ID	Department	Category	Amount (PKR)	Description	Date
1 187	Evening Physiotherapist	Other	1800.00	salt chips	2020-04-02
